

## CSE 110 Monday B240

### Team 8 User Stories

These are placed on 3x5 sized “cards”

All ideas from client have been made into user stories. A majority have been labeled as ‘low priority’ for implementation only if time allows.

## Story #1 - COMPLETED

User Story:

**As a** developer

**I want** to scan a barcode

**so that** the UPC code is displayed and I know the scanner is functioning correctly.

Estimated Time: 7 days

Priority (L, M, **H**):

## Story #2 -- COMPLETED

**As a** user,

**I want** to be able to pull up and load product details (name and picture, price?) based on the scanned barcode number

**so that** I can see basic product information after scanning it.

Estimated Time: 7 days

Priority (L, M, **H**):

## Story #2 -- COMPLETED

User Story:

**As a user**

**I want to** read a review from the product details page

**so that** I can learn information about the product

Estimated Time: 7 days

Priority (L, M, **H**):

## Story #3 -- COMPLETED

User Story:

**As a user**

**I want** to be able to write reviews about the item I scanned

**So that** I can let others know what I think of the product

Estimated Time: 7 days

Priority (L, M, **H**):

## Story #4 - COMPLETED

User Story:

**As a user**

**I want** the review to display a star rating as well as a text review on both the read review and write review

**so that** I quickly know quality of product

Estimated Time: 3 days

Priority (L, **M**, H):

## Story #5 -- COMPLETED

User Story:

**As a** user,

**I want** to be able to sign in to my account or create one if I don't have one

**So that** it is a little more personal.

**As a** developer,

**I want** ...

**So that** I can keep track of users

Estimated Time: 3 Days

Priority (L, **M**, H):

## Story #6 -- COMPLETED

User Story:

**As a** user,

**I want** to be able to create or view my profile containing basic information (name, location, how many reviews they have made).

**So that** I feel engaged with the app

Estimated Time: 3 Days

Priority (**L**, M, H):

## Story #7 - Not Yet Started

User Story:

**As a** user,

**I want** to be able to sort the ordering reviews while reading them (newest, oldest, highest rated, lowest rated, most helpful (default)).

**So that** I get a more refined search

Estimated Time: 2 Days

Priority (**L**, M, H):

## Story #8 - Not Yet Started

User Story:

**As a user**

**I want** to use Facebook to sign up / sign in  
(in conjunction to normal login, priority given to Facebook)

**so that** logging in is straightforward

Estimated Time: 3 Days

Priority (**L**, M, H):

## Story #9 - Not Yet Started

User Story:

**As a user**

**I want** to mark reviews as helpful/not helpful.

**so that** other users get a good indication on what reviews to trust.

Estimated Time: 3 Days

Priority (**L**, M, H):

## Story #10 - Not Yet Started

User Story: Trust

**As a** user,

**I want** some way of trusting other reviewers be it  
(gamified {levels, ranking}, helpful reviews)

**So that** I can know which reviews would be helpful  
to me.

Estimated Time: 2 weeks

Priority (**L**, M, H):

## Story #11 - Not Yet Started

User Story:

**As a user**

**I want** to connect my Facebook profile

**so that** I can publish to Facebook (timeline, share, etc)

Estimated Time: 1 Week

Priority (L, M, H):

## Story #12 - Not Yet Started

User Story:

**As a user**

**I want** to be able to go back and read or delete any reviews I have written in the past

**so that** I can remove any potential misleading reviews to maintain accuracy in reviewing

Estimated Time: 1 week

Priority (**L**, M, H):

## Story #13 - Not Yet Started

User Story:

**As a user,**

**I want** to be able to go back to my old reviews and add onto it (in a reply? or a threaded edit)

**So that** I can let others know if my opinion changes

Estimated Time: 5 Days

Priority (**L**, M, H):

## Story #15 - Not Yet Started

User Story:

**As a** developer,

**I want** to perhaps scrape from Amazon Reviews

**So that** our app has a base to start from else there would be no available reviews to read at launch

Estimated Time: 2 weeks

Priority (**L**, M, H):

## Story #16 - Not Yet Started

User Story:

**As a** user,

**I want** to be able to add new products in some way or form

**So that** in the off chance that the item is cannot be found other users will be able to see it? I can do something about it?

Estimated Time: 2 weeks

Priority (**L**, M, H):

## Story #17 - Not Yet Started

User Story:

**As a user**

**I want** to be able to report a review as inappropriate (excessive foul language, spam, racist, cruel, etc)

**so that** a moderator could be notified and the post removed if deemed inappropriate.

Estimated Time: 2 Weeks      Priority (**L**, M, H):

## Story #18 - Not Yet Started

User Story:

**As a** user,

**I want** to be able to filter reviews by the demographics and similar interests of the reviewer.  
(Similar idea to how OkCupid gains this information from its users.)

**So that** I can find reviews from people similar to myself.

Estimated Time: 8 Weeks

Priority (**L**, M, H):

## Story #19 - Not Yet Started

User Story:

**As a** user,

**I want to**, under profile/app settings, to have the option to filter out profanity from reviews they read. If the profanity filter setting is on, when reading a review with profanity, those words should be replaced with \$^#@&%.

**So that** I don't have to read words that would offend me.

Estimated Time: 1 Week

Priority (L, M, H):
