CSE 110 Monday B240
    Team 8 User Stories

    These are placed on 3x5 sized "cards"

Story #1a -- COMPLETED

User Story:

As a developer
I want to scan a barcode
so that the UPC code is displayed and I know the scanner is functioning correctly.

Estimated Time: 7 days   Priority (L, M, **H**):

Story #1b -- COMPLETED

As a user,
I want to be able to pull up and load product details (name and picture, price?) based on the scanned barcode number
so that I can see basic product information after scanning it.

Estimated Time: 7 days   Priority (L, M, **H**):

Story #2 -- IN PROGRESS

User Story:

As a user
I want to read a review from the product details page
so that I can learn information about the product

Estimated Time: 7 days   Priority (L, M, **H**):

Story #3 -- IN PROGRESS

User Story:

As a user
I want to be able to write reviews about the item I scanned
So that I can let others know what I think of the product

Estimated Time: 7 days   Priority (L, M, **H**):

Story #4

User Story:

As a user
I want the review to display a star rating as well as a text review
so that I quickly know quality of review

Estimated Time: 3 days   Priority (L, **M**, H):

Story #5 -- COMPLETED

User Story:
As a user,
I want to be able to sign in to my account or create one if I don't have one
So that it is a little more personal.
As a developer,
I want …
So that I can keep track of users
Estimated Time: 3 Days   Priority (L, **M**, H):

Story #6

User Story:

As a user
I want to use Facebook to sign up / sign in
(in conjunction to normal login, priority given to
Facebook)
so that logging in is straightforward

Estimated Time: 3 Days   Priority (**L**, M, H):

Story #7

User Story:
As a user,
I want to be able to create or view my profile containing basic information (name, location, how many reviews they have made).
So that I feel engaged with the app?

Estimated Time: 3 Days   Priority (**L**, M, H):

Story #8

User Story:

As a user
I want to mark reviews as helpful/not helpful.
so that other users get a good indication on what
reviews to trust.

Estimated Time: 3 Days   Priority (**L**, M, H):

Story #9

User Story:
As a user,
I want to be able to sort the ordering reviews while reading them (newest, oldest, highest rated, lowest rated, most helpful (default)).
So that I get a more refined search

Estimated Time: 2 Days   Priority (**L**, M, H):

Story #10

User Story: Trust
As a user,
I want some way of trusting other reviewers be it
(gamified {levels, ranking}, helpful reviews)
So that I can know which reviews would be helpful
to me.

Estimated Time: 2 weeks   Priority (**L**, M, H):

Story #11

User Story:

As a user
I want to connect my Facebook profile
so that I can publish to Facebook (timeline, share, etc)

Estimated Time: 1 Week   Priority (L, M, H):

Story #12

User Story:

As a user
I want to be able to go back and read or delete any reviews I have written in the past
so that I can remove any potential misleading reviews to maintain accuracy in reviewing

Estimated Time: 1 week   Priority (**L**, M, H):

Story #13

User Story:
As a user,
I want to be able to go back to my old reviews and add onto it (in a reply? or a threaded edit)
So that I can let others know if my opinion changes

Estimated Time: 5 Days   Priority (**L**, M, H):

Story #14

User Story:

Added threaded edits
(see story 13)

Estimated Time: 2 weeks   Priority (**L**, M, H):

Story #15

User Story:
As a developer,
I want to perhaps scrape from Amazon Reviews
So that our app has a base to start from else there
would be no available reviews to read at launch

Estimated Time: 2 weeks   Priority (**L**, M, H):

Story #16

User Story:
As a user,
I want to be able to add new products in some way or form
So that in the off chance that the item is cannot be found other users will be able to see it? I can do something about it?

Estimated Time: 2 weeks   Priority (**L**, M, H):

Story #17

User Story:

As a user
I want to be able to report a review as inappropriate (excessive foul language, spam, racist, cruel, etc)
so that a moderator could be notified and the post removed if deemed inappropriate.

Estimated Time: 2 Weeks   Priority (**L**, M, H):

Story #18

User Story:
As a user**,**
I want to be able to filter reviews by the
demographics and similar interests of the reviewer.
(Similar idea to how OkCupid gains this
information from its users.)
So that I can find reviews from people similar to
myself.
Estimated Time: 8 Weeks   Priority (**L**, M, H):

Story #19

User Story:
As a user,
I want to, under profile/app settings, to have the option to filter out profanity from reviews they read. If the profanity filter setting is on, when reading a review with profanity, those words should be replaced with $^#@&%.
So that I don't have to read words that would offend me.

Estimated Time: 1 Week   Priority (**L**, M, H):
